SP25 | WOMENSWEAR

SPRING '25 WOMENSWEAR

For Spring '25, we are setting off on a nautical escape, tapping into our maritime roots in contemporary ways. From regatta-sparked design cues to light beachside layering, the season is a bold exploration of modernized coastal classics. A palette of neutrals and blues is spliced with waves of yellow, deep reds and green. Mixing our nautical heritage with today's wardrobe essentials, the collection brings the Tommy signature to Spring dressing in new ways.

For our womenswear mainline collection, we kickstart the season with lightweight layering through transitional outerwear and textured ottoman knits inspired by coastal cues paired with new, relaxed fit denim and fresh white linen tailoring. As we move through the season, we see more nautical cues come to life, from chain link prints and sailboat prints in fluid shirting and dresses to knitted luxury polos, utility-inspired details and oversized Breton stripe sweaters.
